BOIL WATER NOTICE

Tom Green County Fresh Water Supply District #2

Due to operating issues and water outage, the Texas Commission on Environmental Quality (TCEQ) has required our water system Tom Green County Fresh Water Supply District #2 Christoval Texas ID # 2260004 to notify customers of the need to boil their water prior to consumption.

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking, and making ice should be boiled and cooled prior to use. The water should be brought to a vigorous, rolling boil and then boiled for two minutes. In lieu of boiling, you may purchase bottled water or obtain water from some other suitable source.

Thank you,

TGCFWD#2 Board members and Plant Manager
